

## CURRICULUM VITAE

**NAME** Vadim Berezovskyi, DM, Professor,  
Head of the Department of Clinical  
Pathophysiology

**ADDRESS** Bogomoletz Institute of Physiology  
Ukrainian National Academy of Sci,  
Bogomoletz street 4, 01024, Kiev,  
Ukraine

**HOME ADDRESS** e-mail: vadber@biph.kiev.ua  
apt.18, 2 Acad. Bogomoletz street,  
01024, Kiev, Ukraine  
tel. 380- (44)- 253-94-73

**DATE AND PLACE OF BIRTH** August 29, 1932, Kiev, Ukraine

**MARITAL STATUS** Married

**CHILDREN** Olga Bogomoletz (02.03.1956)

**EDUCATION**  
(in chronological order)

1. Clinical Department of the Kiev Medical Institute (1951-1956)
2. PhD degree in Human and Animal Physiology was received in 1963 from Bogomoletz Institute of Physiology Ukrainian Academy of Sciences.
3. DSc (Doctor of Science) degree in Physiology was received in 1973 from Bogomoletz Institute of Physiology Ukrainian Academy of Sciences.

**EXPERIENCE IN THE**  
Bogomoletz Institute of  
Physiology Ukrainian  
Academy of Sciences

1965	Rank researcher received
1972	Senior researcher
1972	Head of the Laboratory of tissue respiration
1974	Head of the Department of Physiology of respiration since
1987-2015	Head of the Department of Clinical Pathophysiology

**MAJOR RESEARCH INTERESTS** Study the physiological and biochemical indicators of animals and humans after the change of climatic factors of the environment

**MAJOR TEACHING EXPERIENCE** (only lecture courses mentioned) Lectures on the evolution of breathing from the simplest to the mammalian and human physiology at the Department of Taras Shevchenko Kyiv State University, 1965-1968.

A course of lectures on the influence of environmental factors of the environment on the health of children and adults in the House of Scientists of the Ukrainian National Academy of Sciences, Kiev 2008-2015.

## **MEMBERSHIPS**

Member of the International hypoxia Research Academy 1993-2015

Member of the editorial board of "Physiological magazine" National Academy of Sciences of Ukraine Member of the editorial board of "Hydrology and medical rehabilitation" of the National Academy of Sciences of Ukraine

Member of the Ukrainian Society of Balneology and physiotherapists

## **Awards and fellowships:**

- Honored Worker of Science of Ukraine,  
Laureate of the State Prize of Ukraine,  
Commander of the Order of Prince Yaroslav the  
Wise V degree,  
of Ukraine,
- The inventor, the National Academy of Sciences

## **SELECTED PUBLICATIONS:**

1. Berezovsky VA Oxygen tension in the tissues of animals and humans. Kiev. Editor - Nauk.dumka., 1975, 280 p.
2. Kovalenko EA, Berezovsky VA, Epstein IM Polyarohrafycheskoe Determination of oxygen in the body. Moscow, "Medicine", 1975, S.230.
3. Berezovsky VA Hypoxia and the individual characteristics of reactivity. Kiev. Editor - Nauk.dumka, 1978, 215 p.
4. Berezovsky VA Gorchakov VY Lung surfactants. Kiev. Editor - Nauk.dumka, 1982, 165 p.
5. Berezovsky VA, VG Deynega Physiological mechanisms sanogenic effects of mountain climate. Kiev. Editor -Naukova Dumka. - 1988. - 224 p.
6. Berezovsky VA, Kolotilov NN Biophysical characteristics of human tissue. Reference Book. Publishing house "Naukova Dumka". - Kiev. - 1990.- 224 p.
7. Berezovsky VA Levashov MI Introduction to oroterapiyu. Kiev: Vipol., 1998.- 56 p.
8. Berezovsky VA, Sergienko AI Kyiv - city urban crisis. Analytical Research Center "Institute of the city.", Kyiv. - 2006. - 30 p.
9. Berezovsky VA, Natural and instrumental oroterapy, Editor - "Zaslavsky", Donetsk, Kiev, 2012, p. 303.

*The total number of monographs - 9. Number of published journal articles - 427.*
