“A Roadmap for Industry-Academia collaboration towards sustainability”

Rome, 17/09/2010

Dear Colleague,

We are delighted to invite you to take part in the Workshop entitled **“A Roadmap for Industry-Academia collaboration towards sustainability”** that will be held at the **UN headquarters in New York the 5th of October 2010**. The event will be a continuation of the second International Conference on Sustainability Science (www.icss2010.net).

The goal of this Workshop is to foster the collaboration started during ICSS 2010 between industry and academia, by involving relevant industries of three continents, Europe, America and Asia. Sapienza University of Rome together with Arizona State University and University of Tokyo are the leading Institution in the process of structuring Sustainability Science.

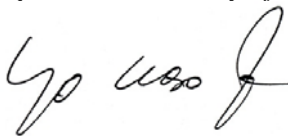

For more details, please kindly take a look at the draft program and presentation of the Workshop we send you together with the invitation. If you would accept our invitation and for any additional information, please reply to **nicola.silvestri@uniroma1.it**

We truly hope you will accept our invitation and look forwards to seeing you in New York.

Yours Sincerely

Prof. Vincenzo Naso
