

CV CIRPS “TRAINING” – 2005-2017

Period: 2014-2018

Project: SOMALY WEB – Logistic and organizational assistance and distance education at the Somali National University

Commissioned by: Italian Ministry of Foreign Affairs

Project Manager: Augusto Chiaia and Vittorio Colizzi (CIRPS)

Type: training

Period: 2013-2015

Project: Project MERCOSUR – Advanced training course for MERCOSUR executives on sustainable development and governance.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Augusto Chiaia (CIRPS)

Type: training

Period: 2013-2015

Project: Project UE4SD- Advanced training course for MERCOSUR executives on sustainable development and governance.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Ugo Troya (CIRPS)

Type: training

Period: 2012

Project: Master's Degree "Emergencies and Humanitarian Interventions" - International Master in English on the organization and management of emergency interventions.

Commissioned by: Self-financing students

Project Manager: Gianni Rufini, Ilenia Martiniello (CIRPS)

Type: training

Period: 2012

Project: Participation in the EADI Project "Research Monitor" - Advanced training project in the field of sustainability.

Commissioned by: European Association of Development Institutes (EADI)

Project Manager: Claudio Cecchi (CIRPS)

Type: training/research

Period: 2011-2012

Project: Master's Degree "Cooperation and Projects for Development" (XI edition) -

Advanced training course on the design and management of international cooperation interventions for sustainable development.

Commissioned by: Self-financing students

Project Manager: Silvia Macchi, Ilenia Martiniello (Sapienza, CIRPS)

Type: training

Period: 2011-2012

Project: Training course "Installer and maintainer of solar thermal systems" - Design and construction of large-scale solar thermal systems for hot water (DHW), for the dissemination of good European practices. The Project results in 15 plants built in penal institutions (2001-2012) with technical-professional training of inmates.

Commissioned by: Casa Circondariale di Rebibbia

Project Manager: Andrea Micangeli (Unit SET)

Type: training/services

Period: 2011-2012

Project: Project "Right to health and social integration of young migrants" - Innovative vocational training project for disadvantaged groups of young people in the city of Rome, with emphasis on social and psychological aspects.

Commissioned by: INAIL

Project Manager: Andrea Micangeli, Maura Benedetti (Unit SET)

Type: training

Period: 2011-2012

Project: European Social Fund (ESF) in agreement with Provincia di Roma – Training courses for future operators in the entertainment sector.

Commissioned by: Provincia di Roma

Project Manager: Mariagrazia Eleuteri (LeMa)

Type: training

Period: 2011-2012

Project: Level II MAEOL Master's Degree with Università della Tuscia - Distance training course on energy management and its environmental impact.

Commissioned by: Self-financing students

Project Manager: Maurizio Carlini (Section SEA) and EMURE Unit

Type: training

Period: 2011

Project: Training course "Installer and maintainer of solar thermal systems" - Realization of large thermal solar systems in Benevento, with self-construction of the captive elements in the prison and design of solar thermal systems for Hot Water (ACS) for mild climatic conditions, and adoption of low cost devices also applicable in emergency situations and

rural development.

Commissioned by: Casa Circondariale di Benevento

Project Manager: Andrea Micangeli (SET Unit)

Type: training

Period: 2011

Project: POR Umbria - Project “Un posto al sole” – Course for installer of solar systems and productive applications of renewable energy sources.

Commissioned by: Region Umbria

Project Manager: Francesco Fantozzi (Section Perugia)

Type: training

Period: 2011

Project: PON SNIFF “Sensor Network Infrastructure for Factors” – Training of researchers and technicians for the monitoring and integrated management of the territory and the environment.

Commissioned by: Italian Ministry of Education, University and Research (MIUR)

Project Manager: Luca Cedola (Unit ITA)

Type: training

Period: 2010-2013

Project: EUROPEAID “Population and Housing Census 2011, Albania” – Institutional support project for the Albanian Institute of Statistics (INSTAT), aimed at studying the population, digital cartography for statistical purposes, training and research for the analysis of statistical data.

Commissioned by: European Commission

Project Manager: Roberto Bianchini (Unit POSSIG)

Type: training/services

Period: 2010-2013

Project: EC Tempus Program “MAster oN SUsustainable development and Renewable Energy (MANSUR)” - Scientific consulting for the design and development of a Master Course for students of 4 Jordan universities in the field of renewable energy and energy efficiency.

Commissioned by: European Commission

Project Manager: Katuscia Cipri (Unit ISIDE)

Type: training/research

Period: 2010-2012

Project: Technical-scientific assistance to IILA and MAE for Advanced Training Courses - Program of cooperation with the Central American integration system (SICA): advanced training courses for senior managers

Commissioned by: Italian Ministry of Foreign Affairs (MAE)

Project Manager: Andrea Micangeli (Unit SET), Augusto Chiaia

Type: training/services

Period: 2010-2018

Project: Project MERCOSUR – Advanced training course for MERCOSUR executives on sustainable development and governance.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Augusto Chiaia (CIRPS)

Type: training

Period: 2010-2012

Project: EUROPE AID-KOSOVO “Technical Assistance to the Statistical Office of Kosovo for the preparation of population census” – Institutional support project for the Kosovo Institute of Statistics (SOK) aimed at studying the population, digital cartography for statistical purposes, training and research for the analysis of statistical data of the census.

Commissioned by: European Commission

Project Manager: Roberto Bianchini (Unit POSSIG)

Type: training/services

Period: 2010-2011

Project: Energy from the sun in Kilimanjaro schools - Creation of new technical and professional skills and reduction of female school dropout in the Kilimanjaro region (Tanzania), through the construction of a photovoltaic system in the dormitory of the secondary school of Longoi. Training students on photovoltaic technology, involving them in the installation and management of the system itself.

Commissioned by: Provincia di Roma

Project Manager: Nicola Iannuzzo

Type: training/services

Period: 2010-2011

Project: Training course "Installer and maintainer of solar thermal systems" - Course aimed at training qualified personnel for the sizing, installation and maintenance of solar systems to produce DHW, small and medium and large size and for different applications: domestic, commercial, industrial. The internship was carried out during the construction of the solar thermal plant at the Institute already financed under the Programma Nazionale di Solarizzazione degli Istituti Penitenziari.

Commissioned by: Casa Circondariale di Perugia

Project Manager: Andrea Micangeli (Unit SET)

Type: training

Period: 2010-2011

Project: Training course "Installer of solar systems and productive applications of renewable

energy sources" – Subject: installation and maintenance of solar thermal and photovoltaic systems, with self-production of sodium hypochlorite with "On Site Electro Chlorination (OSEC)" system. As part of the internship, maintenance operations of the solar thermal system of the Programma Nazionale di Solarizzazione degli Istituti Penitenziari, and installation of a 1 kWp photovoltaic system.

Commissioned by: Casa Circondariale di Velletri

Project Manager: Andrea Micangeli (Unit SET)

Type: training

Period: 2010-2011

Project: Course "Technical operator in the installation and maintenance of solar thermal systems" - Training of qualified personnel for the design, installation and maintenance of solar systems for the production of domestic hot water (DHW) of small, medium and large dimensions and for different applications: domestic, commercial, industrial.

Commissioned by: Casa di Reclusione di Spoleto

Project Manager: Andrea Micangeli (Unit SET)

Type: training

Period: 2010-2011

Project: Basic face-to-face training course on European project writing - Course for the employees of the Province of Latina and of neighboring municipalities, focusing on the main EU funding programs, project writing techniques and aimed at drafting of two project proposals, submitted to the European Commission for evaluation.

Commissioned by: Provincia di Latina

Project Manager: Raniero Chelli

Type: training

Period: 2010-2011

Project: SPAL - Training courses on economic and energy topics - 9 Training courses on energy-environmental and economic issues, oriented towards sustainable development.

Commissioned by: Regione Lazio Sistema per la Politiche Attive del Lavoro (SPAL)

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training

Period: 2010-2011

Project: POR Lazio "Energy saving and renewable sources. Project cycle management: from financing to implementation"

Commissioned by: Regione Lazio – European Social Fund (ESF)

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training

Period: 2010

Project: Cooperation Program with the Central American Integration System (SICA): training

courses for senior managers - 4-week course, and one month of FAD, on the theme of sustainable development and implementation of collaborative project work with IILA and with the Ministries of the Environment and Energy of the SICA countries.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Andrea Micangeli (Unit SET)

Type: training

Period: 2009-2014 (extended to 2017)

Project: Europeaid: ICARE-7FP “The Europe-China Clean Energy Centre” – Scientific support for EU-China action for the creation of a research center on energy-environmental issues in the Province of Wuhan.

Commissioned by: European Commission

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training/research

Period: 2009-2010

Project: Agreement “Technical assistance to the Laureana di Borrello (Rc) House Reclusion ”- On the job training path for inmates trained within the Programma di Solarizzazione dei Penitenziari Italiani.

Commissioned by: Italian Ministry of Environment, Land and Sea (MATTM)

Project Manager: Andrea Micangeli (Unit SET), Nicola Iannuzzo

Type: training

Period: 2009-2010

Project: Agreement “Renewable energy: successful models in developing countries and education for environmental sustainability” – Training course for sustainable development cooperation operators based on the use of renewable energy.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Marisa Belluscio

Type: training/research

Period: 2009-2010

Project: Master's degree II Level "Cooperation and Design for Development" (9th edition) - Advanced training course on the design and management of interventions for international cooperation for sustainable development.

Commissioned by: Self-financing students

Project Manager: Vincenzo Naso, Marisa Belluscio

Type: training

Period: 2009

Project: Contract for research support “Development of Research Capacities and

Collaboration at the University of Mitrovica and Prishtina”.

Commissioned by: OSCE – Kosovo

Project Manager: Laura Fantini (Unit CIU)

Type: training

Period: 2009

Project: PNA EGY EHRFMS – ENPI Call “Establishment of an Environmental Health Risk Factor Management System in the Palestinian National Authority and in the Egyptian Governorate of Minya” - Implementation of an integrated system for monitoring the risk factors for human health deriving from environmental pollution and the exchange of experiences between EU-Mediterranean countries and theoretical and practical technical training (on-the-job training)

Commissioned by: European Commission

Project Manager: Silvia Macchi (Women Empowerment Section)

Type: training

Period: 2009

Project: Adapting to Climate Change in coastal Dar es Salaam (DAR LAPA) – ENPI Call – Participated audit on the consequences of climate change and urban poverty. Capacity building at individual and institutional level in Local Authorities. Network development and dissemination of results.

Commissioned by: European Commission

Project Manager: Silvia Macchi (Women Empowerment Section)

Type: training/services

Period: 2008-2010

Project: “International Summer School on Human Rights, Humanitarian Aid and International Cooperation” (Editions I-II-III).

Commissioned by: Self-financing students / Regione Lazio

Project Manager: Marisa Belluscio, Ilenia Martiniello

Type: training

Period: 2008-2009

Project: Master's degree II Level "Cooperation and Design for Development" (8th edition) - Advanced training course on the design and management of interventions for international cooperation for sustainable development.

Commissioned by: Self-financing students

Project Manager: Vincenzo Naso, Marisa Belluscio

Type: training

Period: 2008

Project: Project “Centro Ecosostenibile Provincia di Roma Est (C.E.P.R.E.)” – Consultancy in the technical and legal field on environmental issues, through communication, research,

information and awareness raising actions; Technical-administrative assistance for the start up; Training courses (2 courses for "Expert in photovoltaic systems", 2 courses for "new entrepreneurs", 2 courses for unemployed people on environmental sustainability).

Commissioned by: Provincia di Roma

Project Manager: Valeria Troya, Luca Del Zotto

Type: training/research

Period: 2008

Project: Training course "Innovating regional planning from a gender perspective" - 20 training courses, two seminars and an accompanying course for employees of the Regione Lazio on gender issues.

Commissioned by: Regione Lazio, Agenzia Sviluppo Lazio – European Social Fund (ESF)

Project Manager: Silvia Macchi (Women Empowerment Section), Mariagrazia Eleuteri (LeMa)

Type: training

Period: 2007-2010

Project: Project "Corso On line per MEiatori Culturali (COMEC)" – Training course on environmental and sustainability issues.

Commissioned by: Self-financing students

Project Manager: Marisa Belluscio, Ilenia Martiniello

Type: training

Period: 2007-2008

Project: Project "International Sound Archives" - Project on the sustainability of intangible assets, conducted in partnership with the Istituto Centrale Beni Sonori e Audiovisivi and Uzarchiv of Uzbekistan, aimed at the recovery and enhancement of sound documents from Central Asia and the creation of an online documentation and training site.

Commissioned by: Italian Ministry for Cultural and Environmental Heritage and Italian Ministry of Education, University and Research (MIUR)

Project Manager: Magda Pedace (Unit SPI)

Type: training/research

Period: 2007-2008

Project: "Strengthening of skills for university studies"- Training course on development issues addressed to 50 students for their preparation for entry into the academic sector.

Commissioned by: Regione Lazio – European Social Fund (ESF)

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training

Period: 2007

Project: European Social Fund Programma CONCERT – Training activities and creation of an information guide on the issues of development and sustainability.

Commissioned by: Italian Ministry of Labor and Social Policies

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training

Period: 2006-2011

Project: EC DG Research FP7 Project: “European Unified Approach for Accessible Lifelong Learning (EU4All)”.

Commissioned by: European Commission

Project Manager: Andrea Micangeli (Unit SET), Maura Benedetti

Type: training

Period: 2006-2008

Project: Asia Pro Eco II Programme “Capacity building for the promotion of business opportunities for Clean Development Mechanism (CDM) projects in China ”- Project aimed at reducing greenhouse gases and improving the Chinese urban environment through capacity building actions of the local private sector.

Commissioned by: European Commission

Project Manager: Francesca Farioli (Unit EnerED)

Type: training/research

Period: 2006-2008

Project: Directorate General Environment Project: “Designing, Planning, Conduction and Evaluation of Civil Protection Community Mechanism Induction Courses (CMI) Lot no. 6.” – Design and management of 5 courses for the preparation of experts from all EU countries on the issues of Civil Protection.

Commissioned by: European Commission

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training

Period: 2006-2007

Project: Project MERCOSUR – Advanced training course for MERCOSUR executives on sustainable development and governance.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Ugo Troya (CIRPS)

Type: training

Period: 2006-2007

Project: Project “Sprigioniamo il Sole” – Installation of solar thermal plants in Italian Penitentiary Institutes: Casa di Reclusione di Rebibbia.

Commissioned by: Italian Ministry of Environment, Land and Sea (MATTM)

Project Manager: Andrea Micangeli (Unit SET), Nicola Iannuzzo

Type: services/research/training

Period: 2006-2007

Project: Cooperation Development Project “Provision of services for the implementation of a University laboratory of documentation and analysis for the empowerment of women” – Research, workshops, seminars and consultancy aimed at supporting gender cooperation programs.

Commissioned by: UNDP/UNOPS

Project Manager: Silvia Macchi (Women Empowerment Section)

Type: training/services

Period: 2006-2007

Project: NeBaMe – Training and networking action for Central and Local Government officials in the Balkans and the Mediterranean area, Fase C.

Commissioned by: Italian Ministry of Foreign Affairs – Directorate General for Development Cooperation (MAE – DGCS)

Project Manager: Laura Fantini (Unit CIU)

Type: training

Period: 2006-2007

Project: EC Tempus Programme: Project “eContent at the University of Prishtina” – Promotion of eLearning skills and eContent development in university courses at Prishtina University, Kosovo.

Commissioned by: European Commission

Project Manager: Laura Fantini (Unit CIU)

Type: training/services

Period: 2005-2007

Project: EU–Indonesia Small Projects Facility in economic co-operation Programme: Capacity Building for Indonesian Regional Energy Policy.

Commissioned by: Institute for Research and Community Empowerment – Institute of Technology at Bandung, Indonesia

Project Manager: Francesca Farioli (Unit EnerED)

Type: training/research

Period: 2005-2007

Project: European Social Fund (ESF), EQUAL Program, PE.RI.P.LO Project – “PERcorsi di Riqualficazione Professionale per lo sviluppo Locale” on issues of social and cultural interest, within the EQUAL Initiative.

Commissioned by: Italian Ministry of Labor and Social Policies

Project Manager: Mariagrazia Eleuteri (Unit LeMa)

Type: training
